New Year's Day

Easter Sunday

Memorial Day

4th of July

Labor Day

Thanksgiving

Christmas Day

VACCINATIONS

Baxter & Beasley requires all dogs be up to date on their Rabies, Distemper and Bordetella vaccinations. In lieu of a Distemper vaccine, we will accept written proof of a Titer test from your vet.

THE "DO'S" OF BOARDING

We strongly recommend you bring your pet's food from home. For an extended stay at B&B, we also encourage you to bring your dog's blanket or toys from home.

Do bring your dog into our facility with their leashes and collars on. Please make sure your dog has the proper identification on their collars.

Do bring your dog's medication **clearly** marked with the dose and any other instructions for our friendly staff.

****Belongings from home will make your dog more comfortable during their stay. If you do not wish to bring them, Baxter & Beasley will supply their bedding at no extra charge****
